4.	**SE** AIDS & ECE	Thursday 16/01/2025	Department Laboratories, SE ECE, AIDS: 1.30 PM

Test Modules: i) English ii) Logical iii) Quant iv) Automata Basic v) Email Simulation vi) Critical reasoning vii) C++ MCQs

This test is very useful for all the recruitment tests across the industries. On completion of the assessment, candidates get rich actionable insights of their strengths and areas of improvement.

The test will be conducted in offline mode in the department laboratories.

All students are supposed to take the test as per seating arrangements and scheduled timings.

Instructions for students:

- Students must report 15 minutes before the scheduled time.
- Do not carry your mobile phone.
- The test is compulsory, and its performance will be considered for the placement activities.
